Dear Parents and Guardians of **North Cavan P.S.** Students,

This note follows up our letter of October 10, when we informed you about changes being proposed to several schools in the Crestwood Family of Schools to deal with increasing elementary enrolment pressures.

As indicated previously, KPR administration is proposing a new intermediate school be established at Crestwood SS. Grades 7 and 8 students from Kawartha Heights, Millbrook/South Cavan, North Cavan and Westmount Public Schools would attend this new intermediate school. Westmount's Grades 7-8 French Immersion students would move to Adam Scott Intermediate School.

The Board has arranged several opportunities for affected parents and guardians to learn more about the proposed changes, ask questions and offer feedback.

We invite all **North Cavan P.S.** families to attend the next meeting of their School Council, as follows:

DATE: Wednesday, November 13th, 2019
TIME: 6:00 p.m.
LOCATION: School Gymnasium

Senior administrators from the Board will be at the meeting to provide details about the proposed changes, answer questions and receive feedback. Similar meetings will be held at the other affected elementary schools as well.

In addition, parents and guardians from all elementary feeder schools in the Crestwood SS family are invited to attend a public information meeting, as follows:

Thursday, November 28
6:30 p.m.
Crestwood SS

In the meantime, KPR has established a dedicated page on our website to keep our community informed of any related developments; please see the link from our home page at kprschoools.ca We also have a central email address to which families can send questions and concerns: crestwood_accommodation@kprdsb.ca

We encourage affected families to attend these meetings, to email us their questions, and to offer their feedback over the coming months, before the Board of Trustees reaches its decision on the proposal. Final discussions and decision by the Trustees are tentatively scheduled for January 2020.

We recognize that this proposal would result in significant changes for families, and we want to hear from you. We will continue to share information with families through your school, and at kprschoools.ca

Sincerely,

Peter Mangold
Superintendent of Education
